Structural Dynamics 2.0 Masterclass Series

For Practitioners & Leaders

[Register now](#)

We are thrilled to present an unparalleled opportunity for deepening the application of Structural Dynamics and conversational intelligence. As part of our commitment to furthering the global development of this approach, we are hosting a series of masterclasses led by none other than Kieran White - a globally recognized expert and collaborator of the late David Kantor himself. Kieran's career spans from corporate executive to group dynamics and systems change, and has seen him coach hundreds of leaders, train psychotherapists, lead businesses and run his own private psychotherapy clinic. His in-depth understanding of Structural Dynamics is rooted in his extensive work with David Kantor, making him the perfect guide for your journey into advanced Structural Dynamics.

This series of masterclasses is a unique chance to delve deeper into the rich legacy of David Kantor's work, under the tutelage of Kieran. Do not miss this unique opportunity to enhance your skills, and deepen your understanding of and contribute to the ongoing development of Structural Dynamics.
